Appln. No. 10/unassigned

REMARKS/ARGUMENTS

Claims 11-15 stand in the present application, claims 1-10 having been canceled. In addition, the specification has been carefully reviewed and typographical and grammatical errors which were determined during the prosecution of the parent application have been corrected in this divisional application. Accordingly, the application is now believed to be in better condition for examination, and an early action on the merits is earnestly solicited.

Respectfully submitted,

NIXON & VANDERHYTE P.C.
